

Church Partnership Program

Still Wind Ministries™
Crisis. Jesus Intervenes. Calm. — Mark 4:37-39

SPONSORSHIP

John 21:17
Feed my sheep

Your members will be matched with a professional who will provide faith integrating counseling and return them to their faith community for support.

By sponsoring members you are allowing them to receive the nourishment to heal, repair and rebuild their lives.

CONSULTATION

Ester 1:13
He spoke with the wise men who understood the times

We are called and equipped to understand how people grow, change and rebuild relationships.

Consultations with our staff can help your staff obtain relevant information to improve decision making and ministry interactions.

TRAINING

1 Cor 12:4
There are different kinds of gifts but the same Spirit distributes them.

We train staff, lay leaders and members advanced interpersonal skills with a faith integrating approach.

By sharing our gifts with your groups you will strengthen your entire church body. Trainings can also be open to the public and used as community outreach.

STRATEGIC PLANNING

1 Cor 12:12
Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ.

As human behavioral specialists when we integrate our knowledge with your knowledge we can multiply your efforts.

If you are planning a new ministry or struggling with one we can help you make it successful and sustainable.
